Hinckley and Bosworth Borough Council's TOWN CENTRES' VISION

1. Introduction

1.1 Purpose

The vision sets high level ambitions for our town centres highlighting key opportunities to boost their economic success and attractiveness. This will be achieved through the production of exciting master plans and Investor Prospectuses to promote key regeneration of these centres.

This document provides a focussed approach to the regeneration of town centres within the Borough by identifying and targeting specific sites, adding quality through landmark buildings that support the Council's economic regeneration strategy and encouraging engagement with the private sector to both parties mutual benefit.

1.2 Scope

The Council wish to promote the following key sites for regeneration and redevelopment.

- Leisure Centre, Trinity Lane, Hinckley
- Britannia Centre, Hinckley
- Middlefield Lane former depot site, Hinckley
- Cultural Quarter – Site at Holliers Walk/ New Buildings Hinckley
- Public Realm improvements in Earl Shilton
- Improved car parking for Market Bosworth
- Improved access from water park/marina to Market Bosworth centre
- Former Top Range Motors site, Stapleton Lane, Barwell

There will be a review of the recently successful regeneration sites identifying where possible reasons for their success and lessons learnt that can inform a master plan.

1.3 Overview

The Council will work with partners to build on the success of the Hinckley Town Centre Renaissance Masterplan whilst broadening the scope to other town and key village centres at Market Bosworth, Barwell and Earl Shilton. This will build on the £1 billion regeneration programme of transformational new investment being facilitated across the Borough which will create over 7,000 jobs.

Hinckley is a vibrant market town, with markets held three times per week, and boasts a Business Improvement District with an ambition to be a Digital High Street. This has seen £120m investment over the last 5 years. There are a number of other key opportunities for bringing forward major new investment and commercial schemes as well as public realm improvements to build on the recent success. Furthermore there are significant opportunities within some of the areas key market towns which can add to their vibrancy and attractiveness.

2. The Vision

The town centres will support the overall Council ambition to make Hinckley and Bosworth 'A borough to be proud of' by creating vibrant places to work and live. We will do this by transforming and enhancing our town centres through sustainable economic growth for retail and commercial businesses, providing decent and affordable homes, reducing our impact upon the environment, improving the quality of existing homes and create landmark buildings which will create a sense of place and identity.

3. Strategic Aims

To achieve this vision our strategic aims will be to:

- ⚙ Identify and promote key regeneration opportunities within our key centres.
- ⚙ Promote a high quality mix of uses.
- ⚙ Deliver Landmark Buildings and spaces.
- ⚙ Engage with private sector owners particularly on potentially difficult to develop sites.
- ⚙ Continue a cohesive and efficient approach to regeneration of sites within the Borough.
- ⚙ Decide what complementary strategies are necessary or appropriate to enhance the town centres and help deliver this vision.

4. Outputs and key deliverables

This will happen because we will

- ⚙ Initially concentrate on bringing forward regeneration of the identified sites and projects.
- ⚙ Produce development and design briefs for key sites.
- ⚙ Use CPO powers to bring forward sites if necessary.
- ⚙ Produce an individual vision and plan for the future of each centre.
- ⚙ Establish a delivery framework.
- ⚙ Review the previous masterplan and highlight successes and lessons learnt.
- ⚙ Submit a first round Townscape Heritage Initiative (THI) bid by summer 2016.
- ⚙ Put forward Hinckley town centre as a future Enterprise Zone.
- ⚙ Link to the Leicester and Leicestershire Economic Partnership sector plans.
