COUNCIL TAX, NON DOMESTIC RATES AND OVERPAID HOUSING BENEFIT WRITE-OFFS

Report of the Director (Corporate Services)

1. PURPOSE OF REPORT

- 1.1 This report seeks approval to write-off debts over £10,000 in respect of outstanding business rates and to provide the details of the sums written off under delegated powers.

2. RECOMMENDATION

- 2.1 The Executive approve the six business rate write offs detailed in part 3.5 of this report and note the amounts written off under delegated powers.

3. BACKGROUND TO THE REPORT

3.1 Write off limits

The write off limits for Council tax, Business Rates and Housing Benefit Overpayments are contained within the Financial Procedure Rules 2013.

- For debts up to but not exceeding £100 (including aggregated debts for one debtor), the delegated authority rests with the Council Tax or Business Rates Team Leader.
- For debts greater than £100 but not exceeding £1,000 (including aggregated debts for one debtor), the delegated authority rests with the Authority's Partnership Manager.
- For debts greater than £1,000 but not exceeding £10,000 (including aggregated debts for one debtor) (and for all credit balances), the delegated authority rests with the Senior Partnership Manager.
- For debts greater than £10,000 (including aggregated debts for one debtor) the request for write-off must be made in a report to the Executive.

3.2 Writing off debts is only considered where appropriate recovery and enforcement options have been taken, or, where the council are legally prohibited from pursuing the debt. These include:

- Bankruptcy or a Debt Relief Order is in place
- Deceased – No assets within the estate.
- Debtor Absconded / No Trace
- Company in liquidation/dissolved or ceased trading with no assets
- Severe hardship and/or serious health Issues
- Statute barred i.e. we cannot legally pursue the debt as there has been six years since the debt fell due and no action has been taken to collect the debt.
- Uneconomical to collect i.e. it is not financially viable to take further action for example due to the low level of the debt or they have gone abroad.

3.3 In respect of outstanding Business Rates and Council Tax the following action is taken:

- If payment is not received by the instalment due date a reminder notice is issued.
- If payment is received within seven days the tax payer may continue with their original instalment plan. If they default again within the year, then one further reminder notice is issued. If they do not pay, the following steps are taken.
- If payment is not received by the date on the reminder notice, a court Summons is issued. The Summons advises them of the date and time that the council will attend the Magistrates Court in order to apply for a Liability Order.
- Once a Liability Order is obtained, the council has a number of enforcement options available to recover the sum due.

3.4 Options available to recover the debt

Once a Liability Order has been obtained each debt is reviewed and the most appropriate course of action determined. It is only after all of these have been considered and/or pursued that the debt is put forward for write off.

- Apply to the debtor's employer for an Attachment of Earnings.
- Apply to the DWP for a deduction from the debtor's benefits
- Instruct an external enforcement company (bailiffs) to collect the debt on the council's behalf.
- If the bailiff company are unsuccessful, the council could commence committal proceedings against the debtor.
- If the debtor owns their own home a Charging Order could be placed on the property.
- If the debt is over £5000, bankruptcy proceedings could be commenced against the debtor.

3.5 Business Rate Write offs

There are six cases over £10,000 which approval is sought for write off. One sole trader has little effects to cover the debt and has no prospect of payment. The account is now closed and the trader has left the area. The other sole trader has absconded with only an email address for communication. Three of the limited companies are no longer trading so we are unable to locate their whereabouts to continue action. The last limited company is in administration so we are legally prohibited from taking any further action to recover the debt.
