**Report of the Head of Planning and Development**

**Planning Ref:** 16/01058/CONDIT  
**Applicant:** Mr Earley  
**Ward:** Ambien

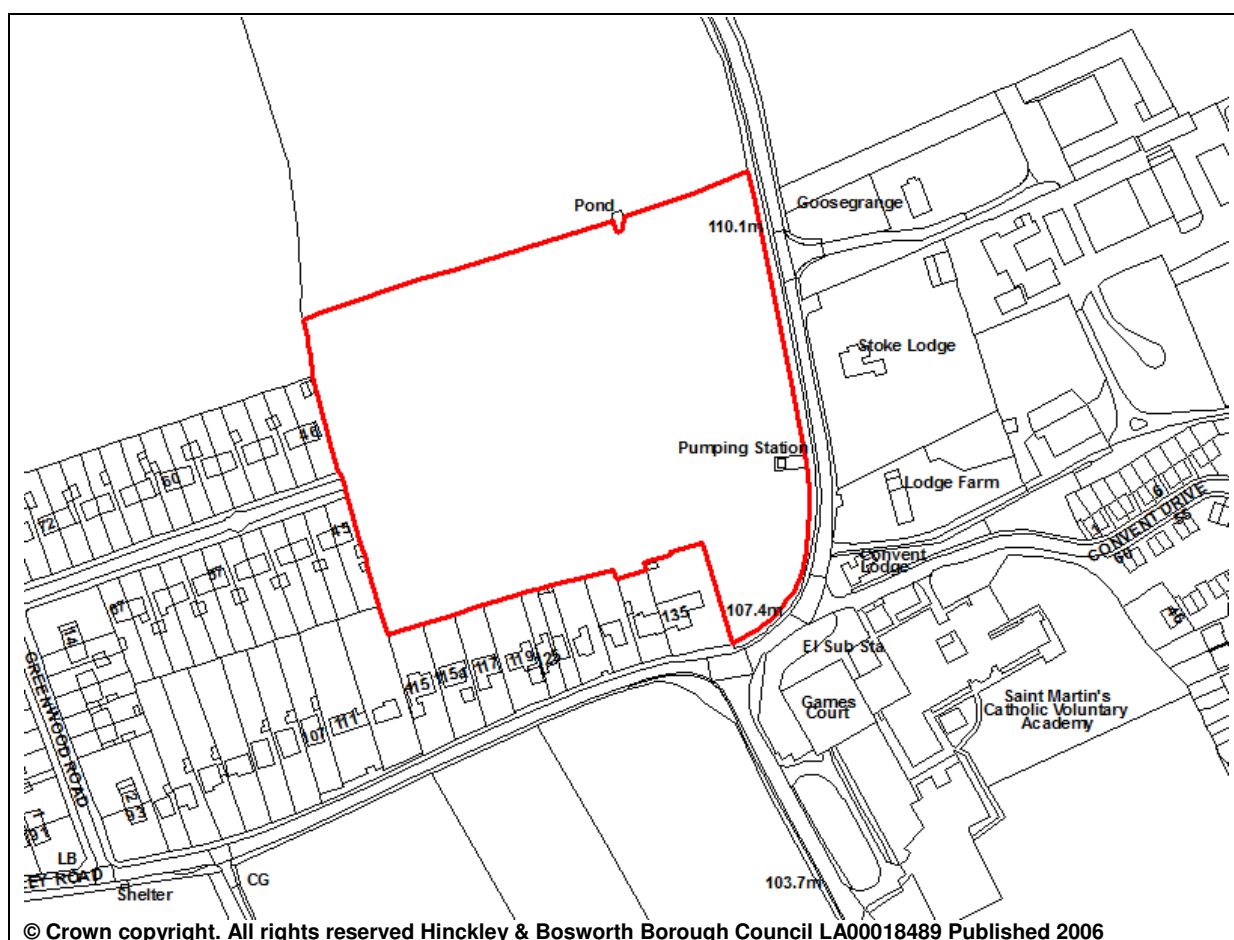

Hinckley & Bosworth  
Borough Council

*A Borough to be proud of*

**Site:** Land Off Hinckley Road Stoke Golding

**Proposal:** Variation of Condition 1 of planning permission 16/00212/CONDIT to amend siting of plots 49 - 71 with associated substitution of house types

**1. Recommendations**

**1.1. Grant planning permission subject to:**

- The prior completion of a Deed of Variation to link the proposed development with the requirements of the Unilateral Undertaking completed under the original outline planning permission for the scheme (ref: 14/00262/OUT).
- Planning conditions outlined at the end of this report.

**1.2. That the Head of Planning and Development be given powers to determine the final detail of planning conditions.**

- 1.3. That the Head of Planning and Development be given delegated powers to determine the terms of the S106 agreement including trigger points and claw back periods.

## **2. Planning Application Description**

- 2.1. This is an application to vary condition 1 of planning permission 16/00212/CONDIT, which relates to the approved plans for the scheme.

- 2.2. This condition read as:

- 1) The development approved shall be carried out in accordance with the submitted details as follows:-

- 2.3. The residential development was originally granted under outline planning permission 14/00262/OUT and subsequent approval of reserved matters 15/00073/REM. Following this, there have been three applications to vary the scheme, including amendments to the layout and the removal of an oak tree on site.
- 2.4. The most recent variation of planning permission (ref: 16/00212/CONDIT) was granted for the removal of an oak tree to the south-east of the site on 4 November 2016.
- 2.5. This variation seeks to amend the site layout further, re-configuring a section of highway and the associated re-siting of dwellings to the north edge of the site. The scheme would result in one additional dwelling to the site, which is subject to a separate application for full planning permission for one new dwelling (17/00130/FUL).
- 2.6. Following initial concerns raised by the Local Planning Authority, an amended layout plan (Amended Site Layout Plan PL01 Rev W) has been submitted for consideration.

### **3. Description of the Site and Surrounding Area**

- 3.1. The site was previously agricultural land, however is currently under development following the approval of the outline and reserved matters applications for the residential scheme.
- 3.2. The site is situated within Stoke Golding, and is approximately 3.1 hectares in size.

#### **4. Relevant Planning History**

10/00408/OUT	Residential development (outline - access only)	Refused Appeal Dismissed	20.08.2010 10.05.2010
14/00262/OUT	Residential development (outline - access only)	Permitted	27.01.2015

16/00212/CONDIT	Removal of condition 2 of planning permission 15/00073/REM to allow for the removal of an oak tree NT1	Permitted	04.11.2016
16/00342/CONDIT	Variation of condition 1 of planning permission 15/00073/REM to amend positioning of plots 75-80 due to the Water Main Easement with plot 76 house type substituted	Permitted	21.07.2016
16/00472/CONDIT	Variation of condition 1 of planning permission 15/00073/REM to amend plots 42-44 from 3 dwellings to 5 dwellings	Permitted	06.09.2016

#### **5. Publicity**

- 5.1. The application has been publicised by sending out letters to local residents. A site notice was also posted within the vicinity of the site and a notice was displayed in the local press.

5.2 Representations have been received from four members of the public, raising the following objections:-

- 1) Re-location of affordable housing is not acceptable
- 2) Adverse impact of the construction of development on neighbouring properties, in terms of noise, dust, and general disturbance
- 3) Would result in an increase to the number of dwellings on site
- 4) Stoke Golding does not need more houses
- 5) Would result in parking on Sherwood Road
- 6) Proposed housing is not integrated well on site
- 7) Would impact on views from neighbouring properties to the site
- 8) Would result in a loss of privacy to neighbouring properties
- 9) No justification submitted to change the layout
- 10) Would result in overshadowing impacts to neighbouring properties
- 11) Would have a detrimental impact on the quality of life of residents
- 12) The developer intends to expand the residential development into the adjoining field to the north of the site

## **6. Consultation**

6.1. Stoke Golding Heritage Group have objected to the application, raising the following concerns:-

- 1) The proposal would result in an increase to the number of dwellings on site
- 2) There is no requirement for more housing within Stoke Golding

6.2. Leicestershire County Council (Highways) has raised no objection to the principle of the development. Final comments are awaited for the current version of scheme. Members will be updated through Late Items.

6.3. No objections have been received from:-

Stoke Golding Parish Council  
Leicestershire County Council (Ecology)  
Leicestershire County Council (Archaeology)  
Leicestershire County Council (Drainage)  
Severn Trent Water (Ltd)  
Arboricultural Officer  
Affordable Housing Officer  
Environmental Health (Pollution)  
Environmental Services (Drainage)  
Street Scene Services (Waste)

- Policy DM18: Vehicle Parking Standards

### 7.3. National Planning Policies and Guidance

- National Planning Policy Framework (NPPF) (2012)
- Planning Practice Guidance (PPG)

## 8. Appraisal

### 8.1. Key Issues

- Assessment against strategic planning policies
- Design, scale and layout
- Impact upon neighbouring residential amenity
- Highway considerations
- Previously imposed planning conditions
- Developer contributions
- Other matters

#### Assessment against strategic planning policies

8.2. Paragraph 11 - 13 of the National Planning Policy Framework (NPPF) states that the development plan is the starting point for decision taking and that it is a material consideration in determining applications. The development plan in this instance consists of the Core Strategy (2009) and the SADMP (2016). Paragraph 14 of the NPPF states that there is a presumption in favour of sustainable development, which should be seen as a golden thread running through both plan-making and decision-taking.

8.3. The principle of the additional dwelling to the site is appraised under the separate application 17/00130/FUL.

8.4. The principle of development for existing dwellings on site has already been established through the approved outline planning permission (our ref: 14/00262/OUT). This permission was subject to the subsequent approval of reserved matters (our ref: 15/00073/REM) and S106 agreement to secure infrastructure obligations and developer contributions. These have now been approved.

8.5. It is therefore considered, the proposal is acceptable in principle subject to all other planning matters being addressed.

#### Design, scale and layout

8.6. Policy DM10 requires new development to complement or enhance the character of the surrounding area with regard to scale, layout, density, mass, design, materials and architectural features.

8.7. Concerns have been raised for the proposed amended layout, in regard to the re-location of the affordable housing units, the increase in the number of dwellings, and the lack of integration of the dwellings on the site.

8.8. The development would result in the re-configuration of the layout to the north-west corner of the site. The scheme as approved under the reserved matters application indicated two side roads off the main estate road through the site to the North West section. This revised layout now proposes one side road. The proposed layout would incorporate the additional dwelling proposed under application 17/00130/FUL.

- 8.9. The amended layout would result in majority of the affordable housing to be located within the western area of the site, adjacent to the area of open space for the development. The affordable housing units comprise of a mix of house types, smaller in size to the market housing proposed. The affordable units are designed as such that they have a smaller amount of garden space than the proposed market dwellings. Therefore, the siting of the units adjacent to the area of open space would provide additional amenity area for future residents to utilise.
- 8.10. The dwellings proposed along the northern boundary of the site are large, detached dwellings with a range of designs. The revised layout will result in the realignment and re-siting of dwellings to this northern section, however it is considered that the proposed layout would enhance the northern boundary, providing an attractive outlook when viewed from the north of the site.
- 8.11. Further, the proposed house types and orientation on the plot would result in no overlooking, overshadowing or overbearing impacts to any future residents.
- 8.12. Therefore, the proposal would be in accordance with Policy DM10 of the SADMP in this respect.

#### Impact upon neighbouring residential amenity

- 8.13. Policy DM10 of the SADMP states that proposals should not adversely affect the occupiers of the neighbouring properties.
- 8.14. Objections have been raised in relation to the development resulting in adverse overshadowing impacts a loss of privacy to neighbouring properties.
- 8.15. The neighbouring property along the north-west boundary with the site is No. 46 Sherwood Road, which would share the boundary with Plots 63 and 49 of the development site.
- 8.16. Notwithstanding the fact that Plot 63 is subject to planning application 17/00130/FUL, given the siting of the plot to the bottom end of No. 46, and the positioning of the garage and dwelling on the plot, it is not considered to have any adverse impact on No. 46, in terms of overlooking, overshadowing or overbearing impacts.
- 8.17. The separation distance between No. 46 and the proposed Plot 49 would be a minimum of 9.5 metres. The dwelling proposed on Plot 49 would extend past the original building line of No.46, however, given the distance between the dwellings, would not result in any adverse overbearing or overshadowing impacts to this neighbour. Further, the windows that would face No. 46 from the western elevation of the dwelling proposed on Plot 49 would serve bathrooms, and thus would not result in any adverse overlooking impacts.
- 8.18. Therefore, the development would be in accordance with Policy DM10 of the SADMP in this respect.

#### Highway considerations

- 8.19. Policy DM17 of the SADMP states that all new development should in be accordance with the highway design standards. Policy DM18 ensures that development provides appropriate parking provision.
- 8.20. Concerns have been raised in regard to the development leading to an increase in on-street parking, particularly along Sherwood Road. The proposed layout demonstrates off-road parking provision for each dwelling, which reduces the need for vehicles to be parked on the road. In any case, on-street parking is not restricted within this area as it is a residential area.

- 8.21. The proposed layout would include the creation of a new access from the main road through the development, which would split at the north boundary of the site to serve two shared drives. It is proposed that this access is to be adopted by the Highway Authority.
- 8.22. The amended site layout plan has been submitted to LCC for their updated comments on the scheme, and these are awaited. A further update will be provided to committee through late items.

Previously imposed planning conditions

- 8.23. It is necessary to consider whether or not it is appropriate to re-impose the original conditions attached to the permission. The original consent was subject to one condition.
- 8.24. Condition 1, concerns the plans for the development, which is proposed to be varied within this application. The variation would be for the replacement of the previously approved Site Layout Plan (Drg. No. E169/P/PL01/Rev P – Site Layout Plan). Therefore, the condition would be re-worded in accordance with the proposed Site Layout plan (Drg No. E169/P/PL01 Rev W), and would be re-imposed.

Developer contributions

- 8.25. Policy 15 of the Core Strategy sets out the provision of affordable housing for new development. The Affordable Housing SPD provided further information on this.
- 8.26. Policy 19 of the Core Strategy and Policy DM3 of the SADMP require developers to contribute towards infrastructure, amenities and facilities where the need is created through new development.
- 8.27. The original outline application for the residential scheme (ref: 14/00262/OUT) was granted subject to the completion of a Unilateral Undertaking that sought developer contributions through appropriate funding for improvements to Education, Public Transport, Play and Open Space and Affordable Housing.
- 8.28. Therefore, a Deed of Variation would need to be undertaken in order to link the proposed development with the requirements of this Unilateral Undertaking.

Other matters

- 8.29. In regard to the comments concerning the noise, dust and disturbance caused through the construction of the development, all construction carried out is to be in accordance with the submitted and approved Construction Management Plan attached to condition 17, and in accordance with the hours specified in condition 4 of the original outline permission for the site (ref: 14/00262/OUT).
- 8.30. In regard to the comments stating that Stoke Golding does not require any more houses and that the development would result in an increase to the number of dwellings on site, this is dealt with within a separate application for planning permission (ref: 17/00130/FUL).
- 8.31. In regard to the comments concerning the views of the development from neighbouring properties, this is not a planning consideration and cannot be taken afforded any weight.
- 8.32. In regard to the comments regarding the lack of justification for the proposed amendments to the previously approved scheme, the applicant has the right to propose to vary any permission granted.
- 8.33. In regard to the comments concerning the developer's intention to expand the residential site to the north, any application received would be considered by the

Local Planning Authority. Any permission granted would be subject to all planning matters being suitably addressed.

## **9. Equality Implications**

9.1. Section 149 of the Equality Act 2010 created the public sector equality duty. Section 149 states:-

(1) A public authority must, in the exercise of its functions, have due regard to the need to:

(a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;

(b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;

(c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

9.2. Officers have taken this into account and given due regard to this statutory duty in the consideration of this application. The Committee must also ensure the same when determining this planning application.

9.3. There are no known equality implications arising directly from this development.

## **10. Conclusion**

10.1. The proposed variation of condition 1 of planning permission 16/00212/CONDIT would be considered acceptable. The application is considered to be in accordance with Policies DM1, DM3, DM4, DM7, DM10, DM17 and DM18 of the SADMP, and the overarching principles of the NPPF, and is therefore recommended for approval, subject to conditions.

## **11. Recommendation**

11.1. **Grant planning permission** subject to:

- The prior completion of a Deed of Variation to link the proposed development with the requirements of the Unilateral Undertaking completed under the original outline planning permission for the scheme (ref: 14/00262/OUT).
- Planning conditions outlined at the end of this report.

11.2. That the Head of Planning and Development be given powers to determine the final detail of planning conditions.

11.3. That the Head of Planning and Development be given delegated powers to determine the terms of the S106 agreement including trigger points and claw back periods.
