Recording of meetings

At HBBC we are open and transparent about how we make decisions. We allow recording, filming and photography at all public meetings including Council, the Executive and Planning Committee as long as doing so does not disturb or disrupt the proceedings. There may occasionally be some reports that are discussed in private session where legislation requires this to happen, but this is infrequent.

We also allow the use of social media during meetings, which helps to bring the issues discussed to a wider audience.

Members of the public, members of the press and councillors are hereby informed that, in attending the meeting, you may be captured on film. If you have a particular problem with this, please contact us so we can discuss how we may accommodate you at the meeting.

Use of mobile phones

To minimise disturbance to others attending the meeting, please switch off your phone or other mobile device or turn it onto silent or vibrate mode.

Thank you
