**24. Financial performance to December 2025**

Members were presented with the financial performance of the Partnership for the period April to December 2025.

In response to a question from members regarding the reserves and whether the IT investments were likely to be approved or whether some of the investments could be returned back to the Partnership local authorities, officers confirmed that this could be taken back to the management board to review this position and report back to the next meeting of the Joint Committee. Officers confirmed that despite LGR, authorities still had to invest in the service and it would be useful for Partners to fully understand all the implications. Officers committed to bringing back a future report that explored the options for the return of some of the reserves to the partnership authorities.

Members noted the report.
