It was reported that all decisions made at the previous meeting had been issued, with the
exception of 20/00470/FUL which had been deferred and was on the agenda for this
meeting.

28 20/01319/FUL - UNIT 3, 25 HAWLEY ROAD, HINCKLEY

This application had been withdrawn.

29 20/01021/OUT - LAND AT STATION ROAD, MARKET BOSWORTH

Application for residential development up to 63 dwellings with associated access, landscaping, open space and drainage infrastructure (outline – access to be considered).

Notwithstanding the officer's recommendation that permission be granted, it was moved by Councillor Flemming and seconded by Councillor B Crooks that permission be refused as the development, due to its location in the open countryside, would harm the character and appearance of the area and diminish the enjoyment users derive from that area, including designated views as identified in the Market Bosworth Neighbourhood Plan. It would therefore be contrary to policy CE3 (important views and vistas), most notably point 6.1p, 6.1q and point 11 of the Market Bosworth Neighbourhood Plan. They also felt that the development would be contrary to policy DM4 of the Site Allocations and Development Management Policies DPD 2016 and the application would fail to protect the intrinsic value, beauty, open character and landscape character of the countryside and whilst considering the tilted balance, the harm to the character and appearance of the area would significantly and demonstrably outweigh the benefits of the proposed housing.

Upon being put to the vote, the motion was CARRIED and it was

RESOLVED – permission be refused for the following reason:

The development, due to its location in the open countryside, would harm the character and appearance of the area and diminish the enjoyment users derive from that area, including designated views as identified in the Market Bosworth Neighbourhood Plan. Application for residential development of 99 dwellings with associated infrastructure, vehicular accesses and areas of open space.
