(g) 11/00635/FUL – Proposed agricultural building, land east of Heath Road, Bagworth – Mr D Price

Notwithstanding the officer's recommendation that the application be permitted subject to conditions, some Members felt that there was no justification of need for the development and that the site access and egress was dangerous. Mr Boothby, seconded by Mr O'Shea, moved that the application be refused on these grounds.

Mr Boothby along with three additional Members requested that voting on this application be recorded. The vote was taken as follows:

Mr Allen, Mr Bannister, Mr Batty, Mr Bill, Mr Boothby, Mrs Chastney, Mrs Hodgkins, Mr Moore, Mr O'Shea, Mr Sutton, Miss Taylor, Mr Ward and Ms Witherford voted FOR the motion (13);

Mr Gould and Mr Inman voted AGAINST the motion (2);

Mr Crooks abstained from voting.

The motion was therefore declared CARRIED and it was

RESOLVED – the application be refused for the following reasons:

- 1 In the opinion of the Local Planning Authority the proposed development will intensify the use of an existing access that has insufficient visibility in order to leave the site in a safe manner. As such the proposal would result in a detrimental harm to highway safety. It is therefore considered contrary to policies BE1 and NE5 of the adopted Hinckley and Bosworth Local Plan.
- 2 In the opinion of the Local Planning Authority, the applicant has failed to demonstrate that adequate agricultural justification exists for the proposed building and as a result the proposed development would result in an unjustified intrusion into the open and undeveloped countryside contrary to Planning Policy Statement 7 and policy NE5 of the adopted Hinckley and Bosworth Local Plan.

Mr O'Shea left the meeting at 8.35pm.

The Planning Committee gave consideration to a proposal to vary the terms of the Section 106 Agreement in relation to outline planning permission ref 10/00358/OUT. Some concern was expressed regarding the precedent this may set, however it was acknowledged that the request should be supported to enable development to commence due to it being the preferred option for local residents. On the motion of Mr Bill, seconded by Mr Inman, it was

RESOLVED –

- (i) the request for a variation of the S106 agreement dated 9 September 2010 be agreed;

- (ii) the agreement be constructed in accordance with the conditions set out at para 5.17 of the report and subject to the applicant meeting the Council's reasonable costs in concluding such an agreement.
