278. **Questions**

Question from Councillor R Allen:

"As I am sure the Leader is aware, 8 May 2025 is the 80th anniversary of Victory in Europe (VE) Day. Can he assure members that this authority will offer financial assistance and practical support to any of the borough's parishes and towns to assist them in ensuring this important anniversary is marked in a manner befitting its importance in our country's history please?"

Response from the Leader of Council:

"The Borough Council looks forward to celebrating this anniversary next year.

It is important to remember when considering any new funding requests that the Council has lost £10million in funding since 2016.

However, to act as a catalyst and to encourage borough-wide engagement in this poignant anniversary, there will be an opportunity to request a small amount of event-day funds via the Council, on a first-come-first-served basis.

The Council's events team will be providing support and guidance to those parishes and towns who ask.

I hope the County Council will also be supportive by waiving fees etc for any road closures that may be required and trust the Councillor Allen will pursue that with his colleagues".

283. Recommendations of the Ethical Governance & Personnel Committee

Consideration was given to the recommendations of the Ethical Governance and Personnel Committee following a determination that Councillor Boothby had breached the Council's code of conduct.

Councillor R Allen, seconded by Councillor O'Shea, proposed an amendment that sanctions be suspended for 30 days to allow Councillor Boothby further opportunity to apologise. It was ruled that the amendment was not valid as it changed the sentiment of the motion and was therefore not an amendment, notwithstanding the fact that the Ethical Governance and Personnel Committee had considered all options and taken advice on their recommendations. It was further noted that Councillor Boothby had stated that he would not apologise.

In response to a member's question, it was explained that should Council wish to re-appoint Councillor Boothby to the Planning Committee, they could not do so within six months without following the procedures in the Council's constitution for rescinding decisions.

It was moved by Councillor Bray, seconded by Councillor Lynch and
