BUSINESS RATES AND POOLING UPDATE QUARTER 4 - 2024/25

Report of Head of Finance

1. Purpose of report

- 1.1 To inform the committee of business rates performance from 1 April 2024 – 31 March 2025.

2. Recommendation

- 2.1 That the committee notes the contents of the report.

3. Background to the report

- 3.1 Hinckley and Bosworth BC as a billing authorities pay 50% of collected business rates to government. The remaining 50% is split between the billing authority (40%) and the precepting authorities (10%).
- 3.2 Following these payments, the retained business rates of billing authorities are subject to a tariff set out in the respective Local Government Finance Settlement. Any growth in business rates over the set baseline will be subject to a “levy” payment of 50%, with the remaining half retained by the host Council. Correspondingly, except for that element associated with the multiplier compensation cap. If a Council loses 7.5% of their set threshold, a “safety net” payment will be triggered to compensate for the loss.
- 3.3 The Council have received £4,164,000 of “section 31 grant” income. The allocated grant was based on the level of reliefs that were shown to have been granted in 2024/25 in the submitted business rates form (the NNDR3).
