FINANCE, AUDIT AND PERFORMANCE COMMITTEE – 4TH AUGUST 2014

REPORT OF DEPUTY CHIEF EXECUTIVE (CORPORATE DIRECTION)

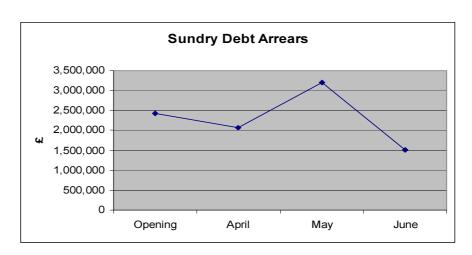

WARDS AFFECTED: ALL WARDS

1. PURPOSE OF REPORT

- 1.1 To inform members of the position on sundry debts as at 30th June 2014.
- 2. RECOMMENDATION
- 2.1 That the committee note the current aged debt position for sundry debts
- 3. BACKGROUND TO THE REPORT
- 3.1 As at 30th June 2014 there were 1,643 sundry debt invoices outstanding with a value of £1,502,724¹ (an average balance of £914.62). This balance can be broken down by age as follows:

	Credits and Refunds	Not Yet Due £	< 30 Days £	30 - 59 Days £	60 - 89 Days £	90 - 119 Days £	> 120 Days £	Total Debt
ı	-1,586	39,742	496,697	389,965	41,188	80,649	456,069	1,502,724

3.2 The value of aged debt has been mapped for 2014/2015 for information. The value of debt has decreased considerably in June 2014 (£1.7million), mainly due to a particular emphasis on targeting historic rental debts. In addition, a large number of homelessness bonds have been written off in month.

¹ Note, this balance does not include an invoice raised for the CPO amounts due from Tin Hat Partnership as these will be paid through the Council's solicitors and offset by a corresponding payment

- 3.3 In order to ensure that the Council adopts a prudent approach to accounting for debt that might not be due, a "provision for doubtful debts" is made against the year end balance. The value of this provision for 2013/2014 was £82,150
- 3.4 The split of the current debt position over 120 days by type of debt are detailed below. As indicated, 48.62% of the debt relates to monies due from Homelessness Bonds. The provision of these bonds is funded by the Council's Homelessness Prevention Grant which is provided by the DCLG annually. Whilst efforts are made to recover these amounts through ongoing contact with tenants by housing and revenues and benefits officers, legal action is not generally taken in these cases. This is on the basis that it is unlikely that the debtor will also be able to pay the additional charges levied and also to uphold the "sentiment" of the Council's Anti Poverty Strategy.

4. FINANCIAL IMPLICATIONS (KP)

Raised in the body of the report.

5. LEGAL IMPLICATIONS (MR)

Under the Limitation Act 1980 the Council must bring action to recover such debts within six years of the date payment became due.

6. CORPORATE PLAN IMPLICATIONS

Sundry Debts contributes to delivery of all Corporate Plan objectives.

7. CONSULTATION

None.

8. RISK IMPLICATIONS

It is the Council's policy to proactively identify and manage significant risks which may prevent delivery of business objectives.

It is not possible to eliminate or manage all risks all of the time and risks will remain which have not been identified. However, it is the officer's opinion based on the information available, that the significant risks associated with this decision / project have been identified, assessed and that controls are in place to manage them effectively.

The following significant risks associated with this report / decisions were identified from this assessment:

Management of significant (Net Red) Risks								
Risk Description	Mitigating actions	Owner						
Failure to recover debt owed to the	Robust recovery methods	Katherine						
Council	and monitoring.	Plummer						

9. KNOWING YOUR COMMUNITY – EQUALITY AND RURAL IMPLICATIONS

Any future reviews of the Debt Recovery Strategy will be impact assessed to understand any impacts on our community (ie ability for those on lower incomes to pay)

10. CORPORATE IMPLICATIONS

By submitting this report, the report author has taken the following into account:

- Community Safety implications
- Environmental implications
- ICT implications
- Asset Management implications
- Human Resources implications
- Planning Implications

- Voluntary Sector
