217 INVESTIGATION REPORT 2013/0013

Members gave consideration to the report of the Investigator which recommended no further action. In general, members were unhappy about the recommendation and maintained that the actions of the subject member were unacceptable.

Following lengthy discussion on the matter, members acknowledged that the current standards regime provided little recourse for members who failed to comply with the Code of Conduct and felt therefore that there would be no advantage to pursuing the matter. It was, however, acknowledged that, had an officer made such comments, disciplinary action would be taken.

Members of the Committee asked that the decision notice be sent with a decision of 'no further action', but that the views of the Committee be recorded that the behaviour of the member was unacceptable, his comments were disrespectful, unnecessary and unacceptable.

Councillor Witherford left the meeting at 11.20am.

- (ii) The views of the Committee with regard to the unacceptability of such comments be made clear.
