In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued “Statement of responsibilities of auditors and audited bodies 2015-16”. It is available from the Chief Executive of each audited body and via the PSAA website (www.psaa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The ‘Terms of Appointment from 1 April 2015’ issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities. This report is intended solely for the use of the Members of the audited body. We, as appointed auditor, take no responsibility to any third party.

1. Executive summary

The National Audit Office's Code of Audit Practice (the Code) requires us to report to those charged with governance – the Audit Committee – on the work we have carried out to discharge our statutory audit responsibilities together with any governance issues identified. This report summarises the findings from the 2015/16 audit which is substantially complete. It includes messages arising from our audit of your financial statements and the results of the work we have undertaken to assess your arrangements to secure economy, efficiency and effectiveness in your use of resources.

Below are the results and conclusions on the significant areas of the audit process.

Status of the audit	<p>We have substantially completed our audit of the financial statements of Hinckley and Bosworth Borough Council for the year ended 2015/16. Subject to satisfactory completion of the following outstanding items/outstanding items included in Appendix C we will issue an audit opinion in the form which appears in Appendix F:</p> <ul style="list-style-type: none"> • Review of the final version of the financial statements • Completion of subsequent events review • Receipt of the signed management representation letter • Completion of Whole of Government Accounts audit procedures • Assurance letter from auditor of Leicestershire County Pension Fund <p>We have performed the procedures outlined in our Audit Plan and anticipate issuing an unqualified opinion on the Authority's financial statements.</p> <p>We expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.</p> <p>We are to complete work directed by the National Audit Office (NAO) regarding the Whole of Government Accounts submission.</p> <p>We expect to issue the audit certificate at the same time as the audit opinion.</p>
Audit differences	<p>Our audit identified a number of audit differences which our team have highlighted to management for amendment. These have been corrected during the course of our work and further details are provided at Appendix B. These adjustments have resulted in a decrease in unusable reserves of £6.6m.</p>
Scope and materiality	<p>We have assessed materiality at the Council to be £1,096,340 this based on the actual results for the financial year.</p> <p>The threshold for reporting audit differences which impact the financial statements is £54,817 to £548,170. The basis of our assessment is 2% of gross operating expenditure.</p> <p>We also identified the following areas where misstatement at a level lower than our overall materiality level might influence the reader. For these areas we developed an audit strategy specific to these areas, the areas identified and audit strategy applied include:</p> <ul style="list-style-type: none"> • Remuneration disclosures including any severance payments, exit packages and termination benefits

2. Responsibilities and purpose of our work

The Council's responsibilities

The Council is responsible for preparing and publishing its Statement of Accounts, accompanied by the Annual Governance Statement (AGS). In the AGS, the Council reports publicly on the extent to which it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in the year, and on any planned changes in the coming period.

The Council is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Purpose of our work

Our audit was designed to:

- Express an opinion on the 2015/16 financial statements and the consistency of other information published with them;
- Report on an exception basis on the Annual Governance Statement;
- Consider and report any matters that prevent us being satisfied that the Council had put in place proper arrangements for securing economy, efficiency and effectiveness in the use of resources (the value for money conclusion); and
- Discharge our statutory duties and responsibilities as established by the Local Audit and Accountability Act 2014 and Code of Audit Practice.

In addition, this report contains our findings related to the areas of audit emphasis and any views on significant deficiencies in internal control or the Council's accounting policies and key judgments.

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

3. Financial statements audit

Addressing audit risks

We identified the following audit risks during the planning phase of our audit, and reported these to you in our Audit Plan. Here, we set out how we have gained audit assurance over those issues.

A significant audit risk in the context of the audit of the financial statements is an inherent risk with both a higher likelihood of occurrence and a higher magnitude of effect should it occur and which requires special audit consideration. For significant risks, we obtain an understanding of the entity's controls relevant to each risk and assess the design and implementation of the relevant controls.

Significant Risks (including fraud risks)	Audit procedures performed	Assurance gained and issues arising
<p>Risk of management override</p> <p>As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.</p>	<ul style="list-style-type: none"> • Tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements • Reviewed accounting estimates for evidence of management bias; and • Evaluated the business rationale for any significant unusual transactions 	<p>From the testing carried out we have found no significant findings to report. Sufficient assurance has been obtained.</p>
<p>Risk of fraud in revenue and expenditure recognition</p> <p>Under ISA240 there is a presumed risk that revenue may be misstated due to improper recognition of revenue. We have rebutted this risk in all revenue streams.</p> <p>In the public sector, this requirement is modified by Practice Note 10, issued by the Financial Reporting Council, which states that auditors should also consider the risk that material misstatements may occur by the manipulation of expenditure recognition. This risk manifest itself at the council in other service expenses.</p>	<ul style="list-style-type: none"> • Reviewed and tested expenditure recognition policies; • Reviewed and discussed with management any accounting estimates on expenditure recognition for evidence of bias; • Developed a testing strategy to test material expenditure streams; and • Reviewed and tested cut-off at the period end date. 	<p>From the testing carried out we have found no significant findings to report. Sufficient assurance has been obtained.</p>

We also identified the following audit risks during the planning phase of our audit, and reported these to you in our Audit Plan. Here, we set out how we have gained audit assurance over those issues.

Other Risks	Audit procedures performed	Assurance gained and issues arising
<p>Pensions</p> <p>The Council participates in the Local Government Pension Scheme. The volatility in global investment markets and the associated impact on scheme surpluses/deficits creates a risk of failure to maintain a financially robust pension provision for employees.</p>	<p>We have audited the assumptions used when accounting for pension obligations and related disclosures with support from our actuarial specialists.</p>	<p>We have obtained sufficient assurance and are satisfied that the figures presented in the as pensions are free from material misstatement.</p>
<p>Property Plant Equipment Valuation</p> <p>A significant proportion of the Councils balance sheet is in respect to Property Plant and Equipment</p>	<p>We have tested the revaluation cycle, including instruction and completeness of information provided by the valuer.</p> <p>We have reviewed the classification of assets and ensured that the correct valuation method has been applied.</p> <p>We have reviewed the approach adopted by the valuer and their findings.</p>	<p>During our walkthrough audit we identified an error in input of revaluation in the fixed asset register. The council undertook further procedures and identified that an adjustment of £6.6m was required as assets and unusable reserves were overstated and the council have reproduced their financial statements.</p> <p>We have tested a 100% of revaluations as presented in the restated financial statements and have assurance that the restated balance is free from material misstatement.</p>

Opening balances

We have performed relevant audit procedures on the Council's opening balances and have obtained assurance that they are free from material misstatement.

We had no further observations or matters to report relating to the opening financial position as at 1 April 2015.

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we are required to communicate to you significant findings from the audit and other matters that are significant to your oversight of the Council's financial reporting process, including the following:

- Qualitative aspects of your accounting practices; estimates and disclosures;
- Matters specifically required by other auditing standards to be communicated to those charged with governance. For example, issues about fraud, compliance with laws and regulations, external confirmations and related party transactions;
- Any significant difficulties encountered during the audit; and
- Other audit matters of governance interest

We have no matters we wish to report.

We wish to report the following matters:

- As part of our final audit procedures we undertook a walk though of property, plant and equipment and found an error in respect to the input of revaluation information on the fixed asset register. The Council carried out additional procedures to calculate the overall impact of the error and found a £6.6M adjustment which affected both the balance sheet and the reserves. The mistake was due to a processing deficiency where an individual inputted the wrong information.

We recommend that the Council ensures that they ensure that a review of the input onto the fixed asset register is carried out as part of closedown procedures in future years.

Control themes and observations

It is the responsibility of the Council to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Council has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

We have adopted a fully substantive approach and have therefore not tested the operation of controls.

The matters reported below are limited to those deficiencies that we identified during the audit and that we concluded are of sufficient importance to merit being reported to you.

Description	Impact
Bank Reconciliations	<p>During the interim audit we identified that there was a backlog of bank reconciliations which had not being completed in a timely manner due to a staff absence.</p> <p>We have recommended to the Finance team to complete these reconciliations in a timely manner and also to create more resilience in the team so that there is adequate cover to complete these if members of the team are unavailable. This was a similar finding to what has been reported by Internal Audit.</p> <p>Management Response: An internal deadline to ensure reconciliations were upto date for 15/16 by June 2016 was set by management. We are happy to report that the council has now completed all bank reconciliations.</p>
Financial System Policies	<p>The walkthrough of the accounts payable and receivable system noted that there was a lack of clear policies on the procedures involved in operating these processes.</p> <p>We recommended that the processes involved in these financial systems are clearly documented in guides. This will enable consistency in operations and create more resilience in the team to operate these processes as required. As there has been high turnaround in the finance team it is important that there are clear guidelines in place for staff to operate financial systems.</p> <p>Management Response: Agreed, polices require to be reviewed and introduced where absent. There are policies and procedures in place, but accept these need to be reviewed for any gaps and strengthened were needed. This will be worked over medium term with policies being drafted by Dec 31 2016.</p>

Fixed Asset Register

The walkthrough of the fixed assets register found errors in relation to input of revaluation information from the valuer into the register. The council carried out further procedures and identified that there was a £6.6m overstatement in the financial statements and the fixed asset register.

Review of prior year valuation reports found that a class of asset was not depreciated, as these assets were missed in the calculation in depreciation. This resulted in an understatement of depreciation of £115k.

We recommend that going forward that the council ensure that a review of the fixed asset register is completed after valuation data is inputted.

We also recommend that the council carry out a completeness check to ensure that all assets requiring depreciation in year are depreciated based on their useful expected life.

Management Response: Previously these controls had been in place, but were not carried out effectively as part of close down procedure. The council agree that these controls will be implemented going forward.

We have reviewed the Annual Governance Statement and can confirm that it not misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council.

Request for written representations

We have requested a management representation letter to gain management's confirmation in relation to a number of matters, as outlined in Appendix G.

Whole of Government Accounts

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

We are currently concluding our work in this area and will report any matters that arise to the Audit Committee.

4. Value for money

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- ▶ Take informed decisions;
- ▶ Deploy resources in a sustainable manner; and
- ▶ Work with partners and other third parties.

Overall conclusion

We did not identify any significant risks in relation to these criteria.

We have performed the procedures outlined in our audit plan. We did not identify any significant weaknesses in the Council's arrangements. We therefore expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.

- Council Comprehensive Income and Expenditure Statement,
- Council Balance Sheet,
- Council Cash Flow Statement,
- Housing Revenue Account Income and Expenditure Statement,
- Movement on the Housing Revenue Account Statement,
- Collection Fund and
- the related notes

The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

This report is made solely to the members of Hinckley and Bosworth Borough Council, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Council and the Council's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Interim Head of Finance and auditor

As explained more fully in the Statement of the Interim Head of Finance Responsibilities set out on page 21, the Interim Head of Finance is responsible for the preparation of the Statement of Accounts, which includes the financial statements in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16, and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Authority's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Interim Head of Finance; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Statement of Accounts 2015/16 to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the financial position of Hinckley and Bosworth Borough Council as at 31 March 2016 and of its expenditure and income for the year then ended; and
- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

Opinion on other matters

In our opinion, the information given in the Statement of Accounts 2015/16 for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we report by exception

We report to you if

- in our opinion the annual governance statement is misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council;
- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects

Conclusion on Hinckley and Bosworth Borough Council's arrangements for securing economy, efficiency and effectiveness in the use of resources

Authority's responsibilities

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the National Audit Office (NAO) requires us to report to you our conclusion relating to proper arrangements.

We report if significant matters have come to our attention which prevent us from concluding that the Authority has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We have undertaken our review in accordance with the Code of Audit Practice, having regard to the guidance on the specified criterion issued by the Comptroller and Auditor General (C&AG) in November 2015, as to whether the Hinckley and Bosworth had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The Comptroller and Auditor General determined this criterion as that necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether Hinckley and Bosworth Borough Council put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, the Hinckley and Bosworth Borough Council had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Conclusion

On the basis of our work, having regard to the guidance issued by the C&AG in November 2015, we are satisfied that, in all significant respects, Hinckley and Bosworth Borough Council put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

Certificate

We certify that we have completed the audit of the accounts of Hinckley and Bosworth Borough Council in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.
