SUNDRY DEBTS – Q2 2017/2018

Report of Head of Finance (Section 151 Officer)

1. PURPOSE OF REPORT

1.1 To inform members of the position on sundry debts as at 30 September 2017.

2. RECOMMENDATION

2.1 That the committee note the current aged debt position for sundry debts.

2.2 That the committee note that a report will follow at the next meeting on the action being taken on recovery of estates debt.

3. BACKGROUND TO THE REPORT

3.1 As at 30/09/2017 there were sundry debts with a value of £1,569,380. This balance can be broken down by age as follows:

Credits and Refunds	Not Yet Due	< 30 Days	30 - 59 Days	60 - 89 Days	90 - 119 Days	> 120 Days	Total Debt
£	£	£	£	£	£	£	£
-527	339,698	409,567	45,021	18,278	12,375	793,321	1,569,380

3.2 The Council has a KPI for Debt over 90 days old as a % of aged debt, not exceeding 25%. The performance for the end of September 2017 was 12.65%, this is after amendment for items that are known to be covered by agreement, council policy or are to be written off (17.89 % before allowing for agreements). The total number of invoices over 90 days is 954, with an average value of £844.54.

- 3.3 In order to ensure that the Council adopts a prudent approach to accounting for debt that might not be due, a “provision for doubtful debts” is made against the year end balance. The value of this provision for 2017/18 is £139,135.
- 3.4 The split of the current debt position over 90 days by type of debt is detailed below. Although the largest element is for “Estates” debts (£96k), there has been a 31.87% reduction compared against the previous quarter. This has a large element of debts that are over twelve months old. Action continues to be taken to recover the debts where possible and we are moving to introduce an interest charge where there is late payment. The continuation of proactive action has resulted in a reduction in the 90 debt from £475,000 in quarter 1 to £312,000 in quarter 2. Homelessness Bonds have increased marginally by 3.93%. The provision of these bonds is funded by the Council’s Homelessness Prevention Grant which is provided by the DCLG annually. Whilst efforts are made to recover these amounts through ongoing contact with tenants by housing and revenues and benefits officers, legal action is not generally taken in these cases. This is on the basis that it is unlikely that the debtor will also be able to pay the additional charges levied and also to uphold the “sentiment” of the Council’s Anti-Poverty Strategy.
