## Scope, Issues and Options Consultation Questions

### Chapter 6: Vision and objectives

<b>Question 1</b> Do you have any comments on the proposed vision? Would you suggest any changes to it?
Click here to enter text.

<b>Question 2</b> Do you agree with these objectives? If not, what changes would you suggest?
Click here to enter text.

<b>Question 3</b> What additional objectives do you consider will be needed to deliver the Vision?
Click here to enter text.

## Chapter 7: Overarching Spatial Strategy

Please rank Options 1-5 for the spatial distribution of development in order of preference (1 being most preferred, and 5 being least preferred):

Option	Order of preference (1-5)
1. Core Strategy approach	
2. Key Transport and Accessibility corridors and Hub	
3. Garden Village / new settlement	
4. Proportionate growth of key centres	
5. A mix of the above options	

### Question 4

Do you have alternative options to those identified above that you think we should consider?

Click here to enter text.

### Questions 5

Do you think we have identified all the challenges and opportunities presented by each of the spatial distribution options? Please reference the Option(s) number in your answer.

Click here to enter text.

## Chapter 8 The 'Issues'

### Question 6

Do you agree with our assessments for each of the policies? If not, which assessment do you disagree with and why?

Click here to enter text.

## Communities and Places

### Question 7

How should the Local Plan ensure that communities and places gain maximum benefit from development while respecting the heritage and distinctiveness of the places?

Click here to enter text.

## Housing

Question 8: Do you believe that it is appropriate to plan for the minimum number of homes identified above? If not, why not and what do you consider should be the figure we plan to meet?

Click here to enter text.

### Question 9

Do you agree with the suggested approach to other strategic housing matters above? If not, what alternative would you suggest?

Click here to enter text.

### Question 10

We consider that the findings of the 2016 study mean that existing provision for the needs of gypsies and travellers is sufficient. Do you agree? If not why?

Click here to enter text.

## Economic Development

### Question 11

Do you agree that we should be making the most of our location and assets to attract the maximum amount of investment into the Borough?

Click here to enter text.

**Question 12**

**Is there a particular employment sector that we should seek to attract and encourage to the area?**

Click here to enter text.

**Question 13**

**Should the draft Local Plan include policies seeking affordable workspace as part of all new development?**

Click here to enter text.

**Question 14**

**Do you agree with the hierarchy of town and district centres as identified in the Town and District Centre Study?**

Click here to enter text.

## **Tourism**

**Question 15**

**Should there be a policy to protect, support and encourage tourism businesses, visitor accommodation and attractions including heritage assets?**

Click here to enter text.

## **Infrastructure**

**Question 16: Do you agree that the council should continue to work with all partners to ensure the infrastructure implications of new development are adequately understood?**

Click here to enter text.

## Environment

### Question 17

Do you agree that we should seek to contribute towards national climate change aims through the Local Plan Review? If not, why not and what are the risks involved?

Click here to enter text.

### Question 18

Should we seek to strengthen the role of Green Wedges? If not why not?

Click here to enter text.

### Question 19

Do you agree with the suggested approach to addressing environmental issues in the draft Local Plan? If not, what alternatives would you suggest?

Click here to enter text.

## Design Quality

### Question 20

Do you agree that the Local Plan should develop design policies for all new development proposals(including policies to enhance public realm and gateway improvements)? If not why not?

Click here to enter text.

### Question 21

Should the council seek to introduce a minimum dwelling size policy and why? If not, why not?

Click here to enter text.

## Healthy Lives and places

### Question 22

Do you agree that the Local Plan Review should develop specific Health policies? If so, why? And if not, why not?

[Click here to enter text.](#)

### Question 23

Should we develop a policy to require developers to deliver 'active design'?

[Click here to enter text.](#)

### Question 24

Should the draft Local Plan seek to improve the quality and quantity of existing leisure facilities?

[Click here to enter text.](#)

### Question 25

What new leisure facilities opportunities (indoor and outdoor) particularly where a shortage is identified, should the local plan seek to support?

[Click here to enter text.](#)
